DETAIL SYLLABUS

TOPICS / THEMES	SUB-Topics	STUDENT LEARNING OUTCOMES	COGNITIVE LEVELS		
			K	U	A
World Geography-XII					
Geography to Commercial Geography	Scope and Field of Commercial Geography	Branches of Commercial Geography Definitions of Commercial Geography Importance and Scope of Commercial Geography Difference between Economic and Commercial Geography	*	*	
Commercial Activities	Human, Economic	Classification of Commercial activities		*	

	and Commercial activities	Classification of Economic activities by occupation Classification of Commercial activities GIS,E-Commerce Impact of I.T on Commercial activities	*	*	
The Earth and Major Geographical Regions	Basic Concepts	Latitude and Longitude International Date Line Geographic regions	*	*	
Environment and Its Impact on Human Behavior	Explanation of Environment Geography	Environment and its Classification Man Environment Interaction Environmental impact Assessment		*	
World Population	Basic definitions, importance and history	Key Terms and Definition History of world Population Growth World Population Distribution of world according to Population Density World Population Regions	*	*	

		Demographic Transition Model, Migration		*	
Agricultural Resources	Classification and Factors	Basic concepts, factors and Global distribution of Crops(Wheat, Rice and Cotton)	*	*	
Energy and Power Resources	Explanation of Different types of Power resources	Resources of Coal Petroleum Oil(OPEC) Natural Gas Nuclear Renewable Alternative Energy Resources Related Latest Technologies		* * * * * * *	
Geography of Pakistan-XII					
Physical environment of Pakistan	Geographical Location and Physical features of Pakistan	Borders of Pakistan Geographic and Strategic Importance of Pakistan Physiographic divisions (Mountains, Plains. Plateaus,	*	* *	

		Deserts, Coastal Belt)			
Climate	Essential element of Climate and sources of Rainfall in Pakistan	Elements Climatic Regions of Pakistan Factors and effects		*	
Irrigation	Methods of Irrigation, Classification	Types of irrigation Classification of Canals Canals System of Pakistan Indus Water Treaty Barrages Dams	*	*	
Agricultural Resources of Pakistan	Major crops and their physical factors	Agriculture in Pakistan Major Agricultural Crops(Wheat, Rice Cotton, Sugarcane, Tobacco)		*	
Energy and Power Resources of Pakistan	Coal, Petroleum and Natural Gas	Power resources Multipurpose projects Coal Oil Gas		*	

		Nuclear		*	
		Future Plans		*	
Population Quality and Occupational Structure of Pakistan	2017 Census Data, History and Occupational Structure	Key Terms and Information	*		
		Census in Pakistan		*	
		Population Density		*	
		Urbanization		*	
Transportation	Land routes, Water Routes, Air Routes	Modes, Roads NHA		*	
		Railways		*	
		Air transport		*	
		Waterways, Seaports and Dry ports		*
